Why Mauritius?

ASTEK

- n Language
 - n Mauritius is one of the rare countries to have English-French bilingual people
- n Stability
 - n Mauritius is very stable socially and politically
 - n Local Political support to develop and to facilitate our implantation
- n Top Graduates
 - n All Astek Mauritius consultants come from the best Mauritius ICT university (Degree equivalent to A Level + 5 years study at university)
 - n Mauritius education system is based on UK University system
- n Infrastructure
 - n The high quality telecom infrastructure allows our consultants to work directly on servers located in Europe (underwater cables SAFE/SAT3/WASC/TYCO)
 - n Offices with European standards
 - n Plate forme sécurisée de 800 M2
 - n 2 serveurs W2003 bi-pro + 1 serveur Solaris + RL 100 Mb
 - n Interconnexion IP VPN 2 Mb
- n Time difference
 - n Mauritius is only two hours ahead of UK, allowing common working hours as if the consultant were located in UK. It saves our clients the additional costs generated by working in shifts
 - n Overnight flights available

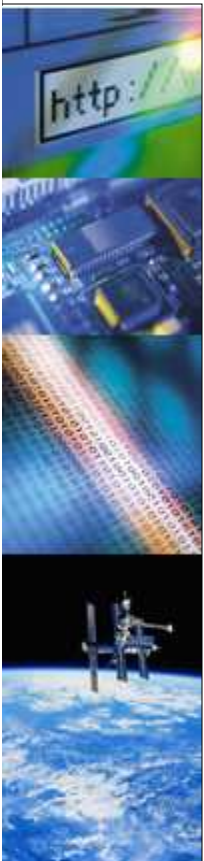

ASTEK Mauritius has two core competencies to offer:
Business Intelligence and Software Development

n Business Intelligence:

- n Team: > 35 Consultants
- n Skills: OLAP, BO V4 - V6 and BO WEB-i

n Software Development:

- n Team: >30 Developers
- n Skills: Oracle, Java, SQL, J2EE, ESP, PHP, C++, .NET, ASP
